

Dee Cunniffe

LJWG Policy Strategy Facilitator and Project Manager

Lambeth Pilot Project

Contribution to Pilot Development

- London Consensus Contribution
- Care Pathways
- Pilot Project Working Group: Kath Oakes
 - Outcomes
 - Offering to Commissioners

Pilot Contribution

- Report re. pathway for commissioners and pilots
- Data and data collection process for medically assisted opiate replacement treatment for people with hepatitis C
- Service User Survey
- Senior Outreach team input to survey measurements
- Focus Groups – Treatment Decision Making Aid
- Pilot Project Working Group

Joint Working with Lambeth

- Lambeth Outreach collaborative work for 3 years
- Funding application contribution and support for roll out from the Lambeth Consortium
- Overall a great example of one approach to getting PWID into assessment and treatment

Thank you
